

The PiPs' Report

submitted by Helen Booth

On a personal note as the youth leader, thank-you to everyone for the unbelievable support I have been receiving. The many offers to help, the words of appreciation and encouragement make a difference not just to me but all the youth as well. It is a great feeling to be a member of a church where the children and youth matter.

I thought I would do my report a little differently since we just recently had our Vestry meeting where the year in review was completed. I am submitting a "year to be" report.

We will be hosting a number of events this coming year for our parish family.

We are working on a games night, an evening of fun for children of all ages. It will be a family evening of board games and snacks – watch for your invitation.

An Easter event like St. Alban's has not experienced before. And as usual more details will follow.

We are planning on venturing outside the church this year ~ weather permitting tubing at Boler Mountain. An evening of bowling. And we will have to fit in a movie of course.

It may seem to be a long way off but our outreach this year for Christmas: we will be putting together personal care packages for our breakfast visitors. So if you happen to have samples of personal care products or see travel sizes on sale think of our project.

We will be having a table once again at this year's bazaar.

Erica will be taking the lead and teaching us all how to crochet. Our masterpieces will be given to the shut-ins.

As you can see we have many things planned and a very busy year ahead.

Of course with all of our plans we will need your pennies so keep hunting!!!
